*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Chapter 192, RSMo, is amended by adding thereto one new section, to be  
2 known as section 192.028, to read as follows:

**192.028. 1. No entity in this state shall require documentation of an individual  
2 having received a vaccination against any disease in order for the individual to access  
3 transportation systems or services including, but not limited to, buses, air travel, rail travel,  
4 taxicab or limousine services, prearranged rides as defined in section 387.400, other public  
5 transportation, or any public transportation facilities including, but not limited to, bus and  
6 airport facilities.**

7 **2. No state government entity, agency or agent of state government, or political  
8 subdivision of the state is authorized to issue vaccine passports, vaccine passes, or other  
9 standardized documentation for the purpose of certifying an individual's COVID-19  
10 vaccination status to a third party or to otherwise publish or share any individual's  
11 COVID-19 vaccination record or similar health information.**

12 **3. Missouri business entities are prohibited from requiring patrons or customers  
13 to provide any documentation certifying COVID-19 vaccination or post-transmission  
14 recovery to gain access to, entry upon, or service from the business entities.**

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

15           **4. All businesses shall comply with the provisions of this section in order to be**  
16 **eligible for grants or contracts funded through state revenues.**

17           **5. The requirements of this section shall not otherwise restrict businesses from**  
18 **instituting COVID-19 screening protocols in accordance with state and federal law to**  
19 **protect public health, and nothing in this section shall be construed to interfere with**  
20 **individuals' rights to access their own personal health information under federal law.**
